

# CERTIFICATE OF ORIGIN & BSE/TSE STATEMENT

---

**Product Name:** *TransIT-VirusGEN*<sup>®</sup> GMP Transfection Reagent, 150 mL  
**Product Number:** MIR 6845-GMP  
**Animal Derived Components:** None  
**Type of Manufacture:** Chemical Synthesis  
**Country of Manufacture:** USA

---

## Quality Control Testing and Results:

This product is manufactured via chemical synthesis in the USA entirely from material of non-animal origin. The manufacture, packaging, storage, and transportation of these materials do not involve the use of material of animal origin. This information is to be used for the purpose of determining animal origin only and not to be confused with “country of origin” for import/export purposes.

This product has minimal risk of contamination with Bovine Spongiform Encephalopathy (BSE) or Transmissible Bovine Encephalopathy (TSE). Mirus Bio LLC does not have plans to change the production of this material in any way that would increase the risk of BSE/TSE contamination.

## Amanda Rice, Quality Manager

This product is sold to the Buyer with a limited license to use this product for research use and further manufacturing; not for administration into humans. This product, or parts from this product, may not be re-packaged or re-sold without written permission from Mirus Bio LLC.
